Graduation Requirements Summary

Minimum Total Hours	Minimum Major Requirements Hours	College & Program Requirements Hours	Carolina Core Hours	Minimum Institutional GPA
126	46	34-46	34-46	3.50

1. Regardless of individual course grades, students must maintain a minimum 3.00 cumulative GPA for first year students, 3.1 for the second year, 3.2 for the third year, and 3.3 for the fourth year and any additional years. Students must have a 3.5 cumulative GPA to receive the BarSc.
2. Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
3. Students who do not place into 141 will be required to take the required prerequisite before proceeding with MATH 141.
4. Students in the BarSc. program are required to demonstrate proficiency in one foreign language equivalent through at least one 300-level course.
5. The Carolina Core provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
6. **Statement of Purpose:** If the Dean approves the student to apply to the BarSc. program, then the student prepares a "Statement of Purpose" and submits it to the Dean and an Associate Dean for review. That Statement of Purpose should contain the following information:
    - The student's academic strengths and weaknesses;
    - The student's personal and professional goals, both long- and short-term;
    - The reasons why the student's academic and professional goals cannot be met through a standard degree program (for example, a double major).
7. The BarSc program requires one European, one American, and one non-western history, one of which must be chosen from the approved Carolina Core GHS courses. Whichever are not fulfilled through the Carolina Core GHS requirement must be fulfilled through these program requirements.
8. The student's BarSc. Committee meets with the student to design an individualized curriculum that has no major, minor, or cognate, but reflects the student's interests, strengths, and weaknesses. Courses in addition to those displayed in the major map may be required, as decided by the BarSc. Committee.
9. The Beyond the Classroom Experience may consists of either undergraduate research, an Honors service learning course, study abroad, or outside South Carolina or internship experience.
10. No courses of a remedial, developmental, skill-acquiring, or vocational nature may apply as credit toward BarSc degree.
11. Senior Thesis preparation course.
12. The Senior Thesis/Project represents the student's effort to pull the strands of this unique educational opportunity together in an extended research/scholarly experience.
