Graduation Requirements Summary

Minimum Total Hours ⁷	Minimum Major Requirements Hours ⁷	Minimum College & Program Requirements Hours	Carolina Core Hours	Minimum Institutional GPA
128	27	58-70	31-43	2.800

- Regardless of individual course grades, students must maintain a minimum 3.65 cumulative GPA at the end of their first year (fall, spring, summer term) followed by a 3.500 at the end of the third semester.
- Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
- Students who do not place into MATH 122 or MATH 141 and do not bring in additional advanced credit, may need to enroll in 18 hours each term of freshman year.
- Students in the International Business: Chinese Business major must complete a minimum of four 300-level or higher Chinese language courses as part of their required program components. The Chinese Language Placement test will determine at which level the student will begin. Foreign language courses can be part of the required directed coursework, which may consist of courses toward a minor, cognate, or other coursework. The language requirement for the Chinese Business is heavily dependent on incoming language level. If students enroll at USC with C7 on their Chinese placement test, they may not be required to participate in the summer language institutes.
- The [Carolina Core](#) provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
- International Business: Chinese Business majors are required to study abroad in the 3rd, 4th, and 7th semesters, as well as in the summers before the 3rd semester and following the 4th semester. Course selection is subject to availability at partner school with advisor approval.
- International Business majors are required to complete a second functional major in the business school. Total program hours and number of courses may vary, depending on the major chosen. Based on choice of major and entering language ability, students may exceed 15 hours some semesters and/or need summer coursework. However, many students bring in AP/IB credit to satisfy some course requirements.
- Functional Courses** (3 hours): ACCT 506, IBUS 401, 402, 403, 405 (or MGSC 405), 430, 432; MGMT 406; ECON 503, 504, 505
- Thematic Courses** (3 hours): IBUS 422, 423, 424, 425, 426, 427, 428, 429, 431, 433, 434, 435, 521
