Graduation Requirements Summary

Minimum Total Hours ⁹	Minimum Major Requirements Hours ⁹	College & Program Requirements Hours	Carolina Core Hours	Minimum Institutional GPA
128	27	58-70	31-43	2.800

- Regardless of individual course grades, students must maintain a minimum 3.65 cumulative GPA at the end of their first year (fall, spring, summer term) followed by a 3.500 at the end of the third semester.
- Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
- Students who do not place into MATH 122 or MATH 141 will be required to take a summer course in the summer following their first year.
- MGSC 290 is a progression requirement and must be taken within the first year in the Darla Moore School of Business. Either ECON 221 or 222 must be taken during the first year. Whichever remains incomplete at the end of the first year, will be taken during the third semester.
- International Business majors are required to complete four 300-level or higher courses in a foreign language. The Foreign Language Placement test will determine at which level the student will begin. Foreign language courses can be part of the required directed coursework, which may consist of courses toward a minor, cognate, or other coursework.
- The [Carolina Core](#) provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
- International Business Major courses:
 - Thematic Courses** (3-6 hours): IBUS 422, 423, 424, 425, 426, 427, 428, 429, 431, 433, 434, 435, 521
 - Functional Courses** (3-6 hours): ACCT 506, IBUS 401, 402, 403, 405 (or MGSC 405), 430, 432; MGMT 406; ECON 503, 504, 505
 - Regional Courses** (3 hours): IBUS 541, 542, 543, 544
- International Business majors are required to study abroad in the spring of junior year. Students are matched to the international location through a competitive process. Course selection is subject to availability at partner school with advisor approval.
- International Business majors are required to complete a second functional major in the business school. Total major hours (27-39) and number of courses may vary, depending on the major chosen. Based on choice of major, language of study, and entering language ability, students may exceed 15 hours some semesters and/or need summer coursework. However, many students bring in AP/IB credit to satisfy some course requirements.

Program Notes:

- Courses identified as "critical" must be completed with a grade of "C" or better in the student's first year in the Darla Moore School of Business in order to continue in the Business School.
- Admission to the International Business major is highly competitive and enrollment is limited.
- Students may choose to complete a Business Analytics Concentration (12 hours) in conjunction with the functional major. Please consult with an Academic Advisor or the department on the courses recommended for individual majors.
- Business courses may be repeated only once. Students may appeal to take a course for a third time and must see an advisor to complete the appeal process.
- Students must complete nine hours of international-focused courses. These courses can be satisfied within the 128 required hours and do not require additional coursework. At least three credits must be a Business or Economics course at the 300-level or above. The remaining six credits can come from: a) two Carolina Core courses OR b) two 200-level or above foreign language course(s) in the same language. For a complete list of the these courses, please visit: <http://moore.sc.edu/academicprograms/undergraduate/globalexperience/internationalrequirement.aspx>
- The last 30 credit hours toward your degree must be earned in residence at the University of South Carolina-Columbia.

University Requirements: Bachelor's degree-seeking students must meet Carolina Core (general education) requirements. For more information regarding these requirements, please visit the [Carolina Core](#) page on the University website.
