Graduation Requirements Summary

Minimum Total Hours	Minimum Major Requirements Hours	College & Program Requirements Hours	Carolina Core Hours	Minimum Institutional GPA
120	48	36-42	31-37	2.5

1. Regardless of individual course grades, students must maintain a minimum 2.5 cumulative GPA.
2. Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
3. A score of less than 16 on the Math Placement Test requires that a student take STAT 110 as the first ARP course to meet the prerequisite requirement for STAT 201.
4. Students in the College of Information and Communications are required to demonstrate proficiency in one foreign language equivalent to the 122 course through course credit or the corresponding foreign language placement score.
5. The Carolina Core provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
6. Students must complete either a minor (18 hours) or a cognate (12 hours) from courses outside the SJMC. The minor is intended to develop a coherent basic preparation in a second area of study. Courses applied toward general education requirements cannot be counted toward the minor. No course may satisfy both major and minor requirements. A cognate requires a minimum of 12 hours of courses in other departments related to the student's major and/or career goals. Cognate courses may be taken in one or more departments depending on the interest and requirements of the student, but must have approval of the student's advisor. Journalism courses may not be used in the cognate. At least 6 of the 12 hours must be at the 300-level or higher. No 100-level courses may be used in the cognate.
7. Journalism major courses include: 1) a Visual Communications Special Topics course (3 hours); 2) a JOUR concept/lecture course (3 hours); and 3) three JOUR electives (9 hours) of the student's choice.
8. English literature course (3 hours) from ENGL 282-288.
9. The School of Journalism and Mass Communications requires one U.S. History (HIST 111 or 112) and one non-U.S. History (HIST 101-109) course. Whichever is not fulfilled through the Carolina Core GHS requirement must be fulfilled through this college requirement.

Program Notes:
- Courses identified as "critical" may affect time to graduation due to prerequisite requirements for subsequent required courses.
- All undergraduate students must take a 3-credit course or its equivalent with a passing grade that covers the founding documents. This course may fulfill any requirement in the program of study. Courses that meet this requirement are listed in the academic bulletin.
- Admission to the upper division is based upon a minimum 2.50 cumulative USC GPA; completion of JOUR 101 and JOUR 291 with grades of C or higher; completion of 60 or more semester hours toward the degree; completion of foreign language requirement; selection of a particular program of study within the college; and selection and approval of a minor or cognate.
- All majors within the school will be expected to pass all journalism and mass communications courses used toward the degree with a minimum grade of C. No journalism and mass communications course may be repeated more than once by any student unless formally approved by the school petition committee.
- The last 30 credit hours toward your degree must be earned in residence at the University of South Carolina-Columbia.
