121	49-67	15-40	32-44	2.000

- Regardless of individual course grades, students must maintain a minimum 2.50 GPA on all MUSC & MUED courses and a 2.00 cumulative GPA.
- Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
- Students are required to participate in the major ensemble most closely related to their primary instrument. Students must declare a primary instrument upon acceptance into the program. The major ensembles are: Marching Band, Symphonic Winds, Wind Ensemble, University Orchestra, Concert Choir, & University Chorus. Ensembles require an audition for membership. Regulations for attendance at ensemble rehearsals & performances are different from regulations for class attendance. Members of ensembles are expected to be present at every rehearsal & performance, unless excused by the conductor. Students who choose to complete the Musical Theatre concentration must complete 4 semesters of musical theatre ensemble, selected from MUSC 130M and MUSC 450.
- MUED 155 and 156 are not required if taking MUSC 111P for Piano as primary instrument or if a student passes the proficiency exam.
- Applied Music must be completed satisfactorily for a minimum of six semesters & 12 hours of credit.
- Students in the Music, BA program are required to demonstrate proficiency in one foreign language equivalent to the 122 course through course credit or the corresponding foreign language placement score.
- The [Carolina Core](#) provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
- Theory Electives (6 hours):** MUSC 312, 313, 315, 319, 320, 515, 518, 525, 526, 528.

- Music Major Electives: Students must complete a minimum of 6 hours of music major electives, including MUED 155 & 156, if needed, or MUSC 278 for those whose primary medium is voice. Students who choose to complete the Musical Theatre Concentration must choose MUSC 278 or MUSC 500 as 2 hours of their Major Electives.

The School of Music allows the use of the Pass-Fail option on elective courses. Further clarification on inapplicable courses can be obtained from the School of Music.

Program Notes:

- Courses identified as "critical" have a deadline for completion. ENGL 101 & 102 must be completed within the first 60 semester hours of work in order to be credited toward graduation. MUSC courses identified as "critical" must be completed in order to be admitted to the upper division.
- All undergraduate students must take a 3-credit course or its equivalent with a passing grade that covers the founding documents. This course may fulfill any requirement in the program of study. Courses that meet this requirement are listed in the academic bulletin.
- The Cognate or Minor requirement is optional for students who chose to complete the Musical Theatre Concentration. The cognate is intended to support the course work in the major. The cognate must consist of twelve hours of courses at the advanced level, outside of, but related to the major. In place of a cognate, a student may choose a minor consisting of at least 18 credit hours of courses concentrated in one area that follow a structured sequence. Students who choose to complete a concentration in Musical Theatre may not also choose to complete a Theatre Minor. A second major eliminates the minor/cognate requirement. Music majors may supplement their degree with a minor in Audio Recording, Music Entrepreneurship, or Music Industry Studies.
- Performance Certificate: The performance certificate is awarded by the School of Music to recognize those undergraduate music students with degree emphases other than music performance, as well as those students not majoring in music. The performance certificate will allow gifted and highly motivated students to acquire additional credit, professorial interaction, & guidance, and departmental distinction in music performance.

University Requirements: Bachelor's degree-seeking students must meet Carolina Core (general education) requirements. For more information regarding these requirements, please visit the [Carolina Core](#) page on the University website.
