

Controller's Office - USC Fund Sources

The University receives funds from many different sources. The **Fund Number** in a chartfield string represents the source of funding and allows the University to track revenues and expenses related to that funding. The first digit corresponds to the appropriate funding source.

Funding Source	Primary Revenue Sources	Type of Funding	Fund Groups	Note	Applicable Policies	How To Request
"A" Departmental Operating Funds	Student Tuition and Fees and State Appropriations	Unrestricted	Not Applicable	A funds do not maintain their fund balance at the end of the fiscal year. The balances are instead rolled up to the University and disbursed back to the operating units via the annual budgeting process.		Chartfield Request Form
