Partitions

Manufactured to help employees and customers feel safe without disrupting business transactions, these partitions help prevent direct physical and airborne contact. The products can be used to improve social distancing by protecting employees from public interactions, creating a safety barrier between tables in a dining room, and many other practical applications. Partitions with polycarbonate panels are easy to clean with wipes, bleach, and common disinfectants.

Fabric panel options are available.

MITYLITE PARTITIONS ARE:

- Easy to clean with polycarbonate panels
- Lightweight and easy to set up, take down, and store
- Useful for permanent or portable room set up
- Available to ship in 5 to 7 business days
- Free shipping within the contiguous USA
- Competitively priced
- Proudly manufactured in the USA
- Backed by a 3-year warranty

PERFECT FOR:

- Hospitality
- Restaurant
- Public Assembly Spaces
- Government Offices
- Educational Environments
- Hospitals/Clinics
- Pharmacies
- Reception/Front Desk
- Banks
- Convenience Stores
- Grocery Stores
- Worship Facilities

PRODUCT FEATURES

- 1 Lightweight, aircraft aluminum frame
- 2 Double-locking caster wheels that hold the partition in place
- 3 Polycarbonate surface option is easy
- 4 Superior sound dampening technology
- 5 Low profile or flush with floor for increased privacy and noise reduction

Custom options are available.

POLYCARBONATE OPTIONS

3 YEAR
WARRANTY

Floor Model - Mobile

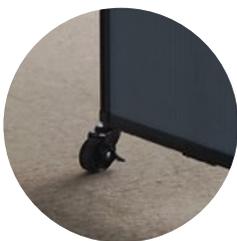

SOUND DAMPENING

Panels are designed to reduce room noise

CUSTOMIZATION

Options include a variety of heights, widths, and colors for any environment

LOCKING CASTERS

3-inch, dual wheel locking casters won't mark flooring

MADE IN THE USA

Hand-built and shipped directly from facility, ensuring quick turnaround

Floor Model - Mobile

Single-Panel Partitions

This easy to use, single-panel partition is available in multiple sizes.

DIMENSIONS

60" H x 33" L

72" H x 33" L

Other size options are available.

2-Panel Partitions

Available with either a telescoping or folding design and a wide range of sizes, these 2-panel partitions are a perfect fit for a variety of public environments. The telescoping partitions feature panels that easily contract for storage. The folding partitions feature rotating hinges that offer a range of movement allowing for the panels to be set up in a variety of ways.

DIMENSIONS

2-PANEL TELESCOPING PARTITIONS	2-PANEL FOLDING PARTITIONS
	72" H X 66" L
60" H x (33" to 56") L	
72" H x (33" to 56") L	

Other size options are available.

Multi-Panel Partitions

Floor Model - Mobile

These multi-panel partitions are available in a variety of sizes and with either a telescoping or folding design. The telescoping partitions feature panels that easily contract for storage. The folding partitions feature rotating hinges that offer a range of movement allowing for the panels to be set up in a variety of ways. The patented folding design provides a 360-degree rotation that allows panels to be molded into a variety of shapes including a C-shape, L-shape, or a straight line.
