

South Carolina Honors College
Senior Thesis/Project Submission Form

Student's Full Name (First, Middle, and Last Name): _____

Permanent Email Address (not USC): _____ Date of Graduation: _____

Binding Information

Students can opt to have a bound copy of their senior thesis to give to family, friends, thesis director or for Thomas Cooper Library. You must submit all copies you wish to have bound *already printed* on 25 percent or higher cotton bond paper in the format listed below required by the printing company. Each copy cost \$30.

Margins: Margins are to be one inch at the top, bottom and right and one and one-half inches on the left (on all pages) to permit binding. Margins less than one and one-half inch on the left result in the deletion of much of the text, graphs, photographs, tables, etc. along the left margin. Final copies submitted without these margins will not be accepted.

Paper Type: The final thesis paper, including the title page, must be printed on standard, white (ivory and light beige are also acceptable) 25 percent OR HIGHER cotton bond paper, single sided. This type of paper is easily found at copy shops and office supply stores. It is a heavier weight paper with a watermark that will resist deterioration.

Ink Type: The final thesis paper must be printed in black ink with the exception of photographs, maps, charts, graphs, figures, tables and similar items, which may be printed in colored inks.

Mailing Instructions: Copies will be sent to the following person(s). If you need more space, please use the back of this form. For faculty, we will place the copy in campus mail unless you provide a home address.

Number of Bound Copies Requested: _____

Payment Submitted \$_____ (\$30 each copy) Checks must be made payable to **USC Educational Foundation**.

If you would prefer to pick up your copies when they are ready, please check here ____
