FROM THE DEAN'S DESK

What an exciting year this has been, and now we have reached the culmination of the hard work of our faculty, staff, and students by graduating the Class of 2022! This spring, we awarded 101 Doctor of Pharmacy degrees as well as 75 bachelor's degrees, six doctorates, and one master's degree in pharmaceutical sciences. We are already hard at work preparing to welcome the Class of 2026. So many of you demonstrated your support for our students and college by donating \$112,162 through Give 4 Garnet on May 18th. It gives me such a great feeling to know that you helped unlock my challenge donation. For your generosity and dedication to our College of Pharmacy, I am forever grateful.

Julie M. Sease, Pharm.D.
Interim Dean
