

FROM THE DEAN'S DESK

It seems as though the semester just began, yet here we are at the end of another year. As I take a moment to look back at our many accomplishments in the College of Pharmacy in 2022, I am reminded of the outstanding achievements of our faculty, staff, and students, as well as the tremendous support that you, our alumni and friends of the College, have so generously given. Through your generosity, we will continue to provide the best learning and teaching environment for our students and faculty. From our family to yours, I wish each of you a wonderful holiday season and a very Happy New Year!
