FROM THE DEAN'S DESK

The University of South Carolina's annual fundraiser [Give 4 Garnet](#) will be here soon! This is your chance to support the College of Pharmacy's initiatives and provide our students with more learning opportunities. Your support will help ensure our faculty members have the tools necessary to provide our students with invaluable experiences as they develop into pharmacists. Please support Give 4 Garnet on April 19; a gift of any size will have a tremendous impact on our students' ability to travel, network and develop. Thank you for the tremendous support you provide to our College of Pharmacy.
