

WELCOME TO PUBLIC HEALTH:

A GUIDE FOR NEW GRADUATE STUDENTS

As you begin your graduate public health program, we wanted to share a few key resources and events available to you through the Association of Schools and Programs of Public Health (ASPPH). We look forward to supporting you as a valuable resource throughout your academic journey.

THIS IS PUBLIC HEALTH (TIPH)

Many of you are already familiar with the TIPH campaign which is now found in nearly 50 countries around the world. The TIPH campaign offers opportunities for you to engage others in identifying public health in the world around them and promoting awareness of public health to others.
