Important Nutrition-Related Updates & Events at UofSC

THANK YOU!

**UofSC Nutrition Symposium:
A Bright Future for Nutrition Research and Training**

Thank you for your participation at our symposium! Please take a moment to fill out our feedback survey. We appreciate your responses.

South Carolina

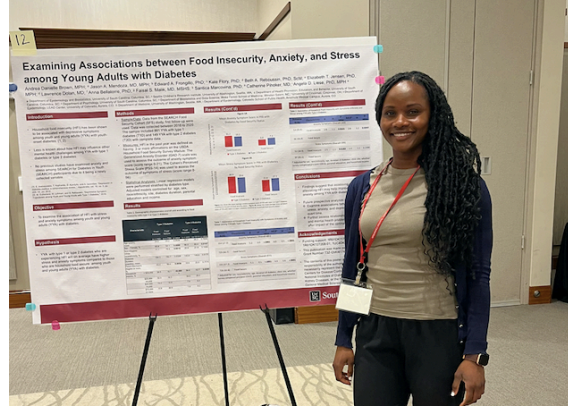

Thank you for your participation at the Annual Nutrition Consortium Research Symposium!

This year's symposium provided experiences for affiliates and attendees to reconnect with the purpose of the Nutrition Consortium and with one another, in order to ultimately generate research collaborations that support the Consortium's long-term goals. If you had a chance to attend the event, please take a few minutes to fill out our short feedback survey. We appreciate your input. Missed our Symposium this year? Read the abstracts and bios of all the posters and presentations [here](#).

Feedback Survey

Above are some photos from our student poster session. The winners of our student poster presentation are as follows:

1st Place: Andrea Brown - *Examining Associations between Food Insecurity, Anxiety, and Stress among Young Adults with Diabetes*

Runner Up: Bezawit Eyob Kase - *The development and evaluation of a literature-based Dietary Index for Gut Microbiota*

Congratulations to all of our students!

Our Student Nutrition Group had a great "thyme" in the Sustainable Carolina Garden! They assisted with watering, weeding, mulching, mixing compost, applying compost, hydroponics care, planting, and harvesting fresh produce! For more photos and to find out more ways to get involved with the group, visit our website below.

Important Nutrition-Related Updates & Events from Professional Organizations

ISBNPA

Advancing Behavior Change Science

**PHOENIX
ARIZONA, USA**

MAY 18-21, 2022

The International Society of Behavioral Nutrition and Physical Activity ([ISBNPA](#)) will host their 21st meeting in Phoenix, AZ, **May 18-21, 2022**. The theme of ISPNPA 2022 is to understand, support, and advance factors that promote resilience and push the innovation in science for behavioral nutrition and physical activity. Registration is open! See more information below.

Registration Information

[NUTRITION 2022 LIVE ONLINE](#) will take place **June 14-16, 2022**, and will explore the latest developments in nutrition science, clinical topics, and the most pressing policy issues. Registration is now open! See more information at the link below.

Registration

The 7th Annual Agriculture, Nutrition & Health Academy Week, will take place over two weeks from **June 20-July 1, 2022**. The format for the programme is not yet set, but it will involve interactive skills and knowledge building Learning Labs, followed by an abstract-driven Research Conference. See more information at the link below.

Conference Details

The Society for Nutrition Education and Behavior Annual

Conference is being held July 29-31 in Atlanta, Georgia. Attendees have the opportunity to interface with influential nutritionists from extension, public health, government, academia, industry, and community settings. Throughout the conference, attendees will be able to experience education sessions featuring the latest information on dietary guidelines, educational strategies, nutrition policy, technology advances, and wellness initiatives with a focus on putting research into practice.

[Learn More](#)

We will provide more information and send notification of dates and times of affiliate presentations as they become available for these upcoming events. Please let us know if you are presenting at any of the upcoming conferences or if there are any other nutrition-related conferences we should be promoting.

Current Nutrition Leadership Positions

As we continue to update our website, we would like to include information on our faculty affiliate leadership positions as they relate to nutrition. If you have a current leadership role in a nutrition-related society or organization, please email emkenney@email.sc.edu.
